A Special Message

Dr. Nirmala Chavan

Principal

M V Mandali's Colleges of Commerce & Science

With immense joy, I welcome you all to Clairvoyance 2026, the 8th edition of our beloved inter-collegiate festival. Clairvoyance has stood as a symbol of youthful energy, creativity, and the limitless potential our students carry within them. Every year, this festival reminds us that learning extends far beyond classrooms, it thrives in moments of expression, collaboration, and shared passion.

This year's theme, "Jungle Cruise – Unleash Your Wild Side," beautifully mirrors the journey each student undertakes. The jungle represents life, unpredictable, challenging, yet full of wonder. And within every student is an explorer waiting to step forward, uncover strengths, and discover new horizons.

So come along and showcase your uniqueness. All the best to team Clairvoyance and all the participants
